## India Corrugated boxes market trends reshaping growth

The expanding e-commerce industry is primarily driving the India corrugated boxes market

Meanwhile, the growing adoption of fast-moving consumer goods (FMCG), such as wellness, beverages, drugs, household items, etc., is further accelerating the market growth

In addition, growing consumer inclination towards lightweight, sustainable and innovative packaging materials has led the leading manufacturers to design corrugated boxes in varying sizes and shapes, further driving market growth

# ICCMA

INDIAN CORRUGATED CASE  
MANUFACTURERS ASSOCIATION

## ICCMA, an apex industry body and strategic partner of IndiaCorr Expo

Since its inception, Indian Corrugated Case Manufacturers' Association (ICCMA), has been strategically associated with IndiaCorr Expo. As a national association, ICCMA has been representing the automatic board plants and was set up in 2009 with the purpose of providing its members, services and activities to play its role of the growth catalyst.

Members of ICCMA are corrugators who use top-notch corrugated packaging technologies and regularly upgrade their plants to stay ahead of the curve. ICCMA members contribute to about 25-30% of total corrugated box production in India.

Jointly with ICCMA, Reed Exhibitions organises ICCMA Congress and awards, every year to bring together corrugators and technology providers together at one forum. ICCMA Congress is an extensively planned and a focused event on corrugated packaging industry which brings together over 550 participants each year.
