ESTABLISHED BUSINESS PLATFORM TO UNVEIL, DEMONSTRATE & NETWORK

SinoCorrugated - IndiaCorr Expo 2020 (ICE 2020) is the second largest event on corrugated packaging in Asia and the biggest tradeshow in India for the entire value chain of corrugated packaging industry creating a perfect platform for high quality equipment suppliers, machineries and solution providers to meet buyers from all across the globe.

IndiaCorr Expo offers unparalleled opportunities for the key buyers to source machinery and network with numerous business prospects. IndiaCorr Expo 2020 will be a right place for International Exhibitors to showcase latest technologies, products and solutions under dedicated pavilions along with many networking opportunities. The show is held annually and is an important networking place for the industry where exhibitors and visitors both build strong business relations.

Benefit from the fast growing corrugated packaging market in India

Key market drivers impacting the market growth of the corrugated packaging globally include budding end-user industries such as medicine, rubber, food, consumer durables, and petroleum

Profits related with corrugated packaging viz. lower cost and sustainability makes it primary mode preferred for packaging in several industries

Emerging markets offer remarkable growth opportunities owing to rising population along with escalating product demand among consumer in this region

E-commerce industry is one of the primary growth driver due to packaging reliability of products in the global market for corrugated packaging

According to experts corrugated boxes are there to stay and will eventually continue to play a critical role both for business and the environment due to the fact that they can be reused and recycled

Generate fresh business leads and justified ROI

Be present at the largest congregation of corrugation industry

ICCMA Congress

ICCMA-Indian Corrugated Case Manufacturers' Association was set up in year 2009 and is an apex body of the Indian Corrugation Industry representing Automatic Board Plants. The Corrugated Packaging Industry in India is undergoing phenomenal transformation. The units modernizing and switching to Automatic process are increasing in numbers every passing day. Present membership of ICCMA constitutes almost 25% of total All-India Corrugated Box production.

Indian Corrugated Case Manufacturers Association (ICCMA) Congress, a three-day conference, creates a platform for all industry professionals to gather under one roof, discuss & deliberate the way forward. ICCMA Congress is an extensively planned and a focused event on corrugated packaging industry. The ICCMA congress is co-located with the IndiaCorr Expo. Every year, ICCMA CONGRESS is attended by over 500 industry leaders across the country to network with our exhibitors.

IndiaCorr Expo 2019 successfully created a platform to connect, network & close deals!
