Co-located Events

One industry, one show

IndiaCorr Expo is the most influential and the only dedicated large scale business-to-business event catering to the rapidly growing corrugated packaging and carton box making industry. Since 2013, the event has launched hundreds of thousands of products, it has facilitated partnerships, advanced knowledge and industry best practices, while serving as the gateway for international companies to access the markets in the region.

The Next Normal for Packaging Sector

According to a research by Technavio, the packaging market in India is poised to grow by USD 81.07 billion during 2020-2024, progressing at a CAGR of over 18% during the forecast period.

The COVID-19 pandemic has reshaped the megatrends buffeting the \$900 billion-a-year global packaging industry.

Major factors impacting the packaging, and corrugated packaging industry include – focus on hygiene concerns with continued focus on sustainability, dramatic growth in e-commerce demand, rapidly evolving consumer preferences and buying behaviours, speedier digitalization of the value chain resulting to widespread use of AI and advanced tracking and tracing technologies.
